

NATURALLY OCCURRING RADIOACTIVE MATERIALS (NORM) AWARENESS COURSE SYLLABUS

Overview

This introductory level course is aimed at personnel who are working with NORM (Naturally Occurring Radioactive Material) in their workplace.

This course provides the participant with information on:

- NORM Assessment
- Detection of NORM
- NORM hygiene
- Working in accordance with your Radiation Management Plan (RMP).

About this Course

It is a requirement under the Radiation Safety Act 1975 that the NORM is managed under the supervision of a competent and licensed person. Licensing for NORM requires a degree of mentoring and experience prior to working autonomously.

Course Details

Location:	West Leederville, WA
Duration:	One Day
Times:	8:00 am – 4:30 pm (approx.)
Cost:	\$850 + GST

Course Variations

Custom presentation and training packages are available to meet your organisation's needs, with training that can be delivered on-site on a date that suits you.
